

Our mission is to provide an inspirational setting and atmosphere for exceptional artists to teach and mentor other artists and aspiring artists to become better!

STARLIGHT RANCH sits at the foot of South Mountain, of the San Pedro mountain chain, east of Albuquerque and south of Santa Fe, New Mexico. An inspirational setting for artist workshops and retreats, it is evolving into a center for successful and talented artist instructors to share their skills and knowledge with students from around the country. There are beautiful rooms available for students who want to totally immerse themselves in the relaxing comfort of Starlight Ranch throughout the workshop experience. Rooms start at \$85 (double occupancy) plus tax. Additional persons cost \$20 apiece. Each room has a private bath and a lovely view, with breakfast included! Lunch is included with all workshops. The small class size (10 to 12) affords everyone plenty of individual attention and constructive critique!
